

# Activity Book

## Dino on the balls. Unit 5

### Key words

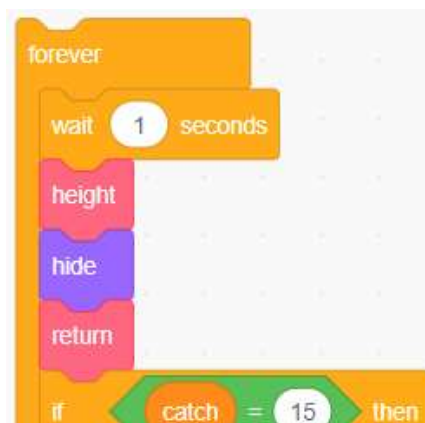

- Graphic editor
- Vector mode
- Other blocks

### Task № 1

Which sprite will move further - upper or lower? Circle it.

### Task № 2

The sprite got up, hid, and returned. It:

- 1) Scared?
- 2) Flew out of sight?
- 3) Return unnoticed?
- 4) Why is he hiding?

### Task № 3

The sprite will move:

- 1) to the left and up?
- 2) to the left and down?
- 3) to the right and up?
- 4) to the right and down?

Underline.

### Task № 4

Each of the 4 sprites has one of these commands. Circle the command that will cause one of the sprites to close all the others.
